Clients' Feedback

We started with ModernLMS in 2017, and over the years, they've played a key role in assisting our sales team with effective learning content. Their platform has greatly contributed to the success of our sales team, from day one until today. ModernLMS has provided us with strong, efficient, and effective services. I would rate them a solid 10 for their dedication and the talent of their team.

Edmund, Learning & Development Unit
Maxis Berhad

ModernLMS helped us launch self-paced learning for our members and the public, making a positive impact on our CPD programs. Their team was highly supportive throughout the process, from platform design to launch, enhancing our e-learning capabilities.

Mohammad Khalil, External Relations, Research & Publication
Malaysian Financial Planning Council (MFPC)

ModernLMS delivered both the learning platform and learning content for our drilling crew onboarding. The solution helped us manage online learning, assessments, certifications, and document uploads to support our safety requirements. Their team delivered on time despite a tight schedule and provided excellent post-launch support.

Zack Zauri, Production / GeoScience
CarigaliHess Operating Company Sdn Bhd

ModernLMS has been instrumental in creating an effective educational portal, with their deep knowledge of local syllabi and instructional design. Their support has been invaluable, offering timely recommendations and gathering feedback from students, teachers, and parents. After five years of collaboration, I look forward to working on more projects together.
